Dear Parent/Guardian:

Oklahoma's Elementary and Secondary Education Act (ESEA) Flexibility Waiver is designed to ensure that each student that graduates from an Oklahoma high school is college, career, and citizen ready. This waiver provides Oklahoma with the flexibility it needs to press forward with implementation of reforms, while giving schools room to grow. The final approved ESEA Flexibility Waiver, as well as other helpful information, is available at: <http://ok.gov/sde/elementary-and-secondary-education-act-esea>.

In 2011, the Oklahoma legislature adopted an A-F School Grading System that makes school performance clear in a manner that is transparent and easily communicated to the public. The A-F Report Card is comprised of two sections each worth one-half of the overall calculation: Student Performance and Student Growth. The Student Growth section is divided into two sub-categories: growth of all students in the school and growth of the bottom twenty-five percent of students in a school. Each category (Student Performance and Student Growth) is awarded a letter grade of A, B, C, D, or F and subsequently combined to award a final letter grade for a school. For additional information, the A-F Report Card Guide is available on the Oklahoma State Department of Education's Website at: <http://ok.gov/sde/f-grading-system>.

A Priority School is any school that either (1) receives a letter grade of "F" based on the State's A-F School Grading System, or (2) is a Title I school in the bottom 5% of Title I schools, a school in the bottom 5% of all schools, or (3) is a Title I-participating high school, Title I-eligible high school, and/or non-Title I high school in a State with a graduation rate below 50% for three consecutive years, or (4) is a school that receives School Improvement Grant (SIG) funds to implement a school intervention model.

Norwood Public School has scored a final Letter Grade of "F" and has been designated as a Priority School because we received a letter grade of an "F" on the State's A-F School Grading System.

As a parent you may want to compare the final A-F School Letter Grade of Norwood Public Schools to other schools in nearby districts.
